MTR WESTERN OF CALIFORNIA ADDS LOS ANGELES,
ANAHEIM AND SAN DIEGO TO THE LIST OF CITIES IT SERVES

SAN FRANCISCO, CA – Meridian Transportation Resources (California), LLC (MTR Western) announced today that it will add Los Angeles, Anaheim and San Diego to the list of west coast cities the premium charter motorcoach operator services, effective December 15, 2007. Each city will be serviced out of a centrally located terminal facility that will be initially provisioned with 18 motorcoaches.

MTR Western CEO Darren Berg states “our recent successes in procuring long term contracts with over-the-road tour operators necessitates we develop infrastructure and position equipment in Southern California. Initially, our new Southern California terminal will support recently signed long term contracts with Contiki, Trafalgar, and Your Man Tours. In addition to these core customers, additional equipment will be added as new customers are procured and as our book of business in the area grows.”

ABOUT MTR WESTERN: Honored by Inc. Magazine (September, 2007) as one of the 500 fastest growing privately held companies in America (#166), MTR Western is a young, dynamic, and aggressive charter motorcoach company focused on the premium segment of the market. The company owns and operates the most modern fleet of motorcoaches available for charter in North America and is a dominant player in the over-the-road tour market, the professional and collegiate sports market, the convention and meeting planner market, and the per capita sightseeing market. MTR Western is privately owned and is based in Seattle, WA.
